

### **Instructions for Poster Paper Presenters**

1. The poster board dimensions are 4 feet vertical by 8 feet horizontal. Velcro fasteners (the hooks half) on your poster will stick to the board. Pins will be available if you don't have velcro.
2. Each poster is assigned a unique number. You will find your poster number in the program book that you will receive at the registration desk at the time on your check-in.
3. You are requested to display your poster on your respective poster board starting at 7AM Monday July 19, 2010.
4. Posters will be displayed for the first two days (July 19<sup>th</sup> and 20<sup>th</sup>) of the conference. You could remove your poster from the poster board after 7PM Tuesday July 20<sup>th</sup>, 2010.

For additional questions, please contact Raj Khosla, [icpa@colostate.edu](mailto:icpa@colostate.edu) Chairperson for the 10<sup>th</sup> International Conference on Precision Agriculture.
